CONFIDENTIAL INFORMATION

Dear Parent/Guardian,

Information about your child's personality, social and emotional adjustment is invaluable to our staff. Please let us know what needs and possible problems we should bear in mind as we plan towards your child's summer. The more you share with us about your child's needs the better able we are to help him/her experience the finest possible summer. Please do not feel inhibited by the framed work of this form. Any additional information you might like to add will be appreciated. *This form will never leave our office and will only be viewed by those staff members who work directly with your child.*
